

## VOLUNTEER OPPORTUNITIES

RPM can only happen with the help of volunteers. There are many ways to serve!

### Do you enjoy kids?

Be a leader or helper in one of our classes.

Or float between classes- help where needed.

### Are you a On-Time person?

We can always use people to help with set up & check in, as well as break down.

### Would you like to work on audio/visual equipment?

Come help make each night a success. Novice or experts welcome. We are willing to train you.

### Do you like helping at special events?

We host special events a few times each year. You can sell tickets, set up, clean up, or serve food.

### Do you have special training or a talent that you would like to share?

Maybe you are in the medical field, or a fireman, police officer, artist, actor, chef or are talented in another area. Partner with us for a night. Teach the kids something new or a life skill they should know.
